Like the angels gonna shout your name

Jesus, Lamb upon the throne.

Like the angels we're gonna dance and sing

Like the angels gonna praise our king

All glory and honor to our God.

Chorus

Sing hallelujah God you are worthy to adore

Oh hallelujah, heaven and earth your praises roar

Millions of angels all around

We're standing on holy ground

We sing glory, honor, power Worthy is the Lamb that was slain

Glory, honor, power You alone are worthy of praise

Jesus, Lamb upon the throne

With the angels we dance and sing
