

## Heavenly Language lyrics

### Verse 1

How can I tell You, when words can't describe

How I feel in my heart about You

How can I show You, as I come before Your throne?

You're all my soul desires?

### Chorus

In heavenly language, my heart open wide

I'll tell You of my love again and again

I see Your loveliness in the beauty of Your presence

Father turn my heart and draw me close to You

### Verse 2

I run into Your courts Your name to glorify.

Thanksgiving fills the air, as Your gates open wide.

Standing in Your presence, I lift my hands to You

Singing worthy is the Lamb of God

Chorus (2 times)

### Ending

Father turn my heart and draw me close to You. (2 times)

Close to You
