

## Refiner, Purify Me

### Verse 1

You're love is reaching my heart

You're holy fire burns

Consuming all that is not of You

In my life, my life

### Verse 2

Lord you hold me as a priceless jewel

You see more value than I ever could

It's your love that is changing me

Defining, beautifying

### Chorus

Refiner, purify me

Let your light shine through me

Burn the chaff that

Hides your glory in me

Lord I pray, purify my heart (Repeat all)

Bridge

'Til my desires give way to worship you

Replaced with new passion

New passion for you (Modulate)

Chorus

Ending: Lord I pray purify my heart
