

This World Is Not My Home

Verse 1

There's a time that we long for
The day that Jesus will return
And we'll be with Him forever
Darkness will go, given to eternal light
For the Son of God will shine
Every knee shall bow from every nations shore
Every eye shall see Him
And those who know Him will rise to meet Him
Jesus the King of Kings

Chorus

This world is not my home and I shall not remain
A prisoner of this robe of flesh I wear
But soon we'll see His face when we have run this race
Caught up in the heavens forever in His presence we shall stand

Bridge

So keep your eyes upon the eastern skies
'Til we see Him we see Him
With shouts of praise the redeemed shall proclaim
Salvation belongs to our God to our God

Chorus

This world is not my home and I shall not remain
A prisoner of this robe of flesh I wear
But soon we'll see Him in all His glory
And forever in His presence forever in His presence we shall stand

Ending: This world is not my home
